

What's in the Box:

- Q15 Main Unit
- Inflation Hose 0.4M (1.31ft)
- Inflation Adapter x 4
- USB A-C Charging Cable 1M (3.3ft) x 1
- Cloth Bag
- User Manual

Key Feature:

- 12V Portable air compressor with 150PSI rating
- Lithium-ion battery powered
- Easy to read 3.6" digital screen display
- 4 Inflating modes with preset pressure values
- 4 International unit of measure to choose from
- 4 Inflation adapters and cloth bag included

Technical Specifications:

Maximum Range:	150PSI
Power Supply:	7500mAh Lithium-ion battery
Inflation Modes:	Car/Motorcycle/Bike/Ball
Unit Of Measure:	PSI, KPA, BAR, KG/CM ²
INPUT:	USB-C: 5V2A 9V/2A
OUTPUT:	USB-A: 5V/2.4A
Screen:	3.6" LED, Display battery level, pressure, inflation mode and unit of measure
Light:	3 Modes - Flashlight/SOS/Strobe
Product Dimension:	Length: 170mm (6.69inch) Width: 82mm (3.23inch) Depth: 52mm (2.05inch)
Weight:	0.8kg (1.8lbs)
Storage TEMP:	-4°F- 158°F(-20°C - 70°C)
Discharge TEMP:	-14°F - 122°F(-10°C - 50°C)
Charge TEMP:	32°F - 113°F(0°C - 45°C)
