<p><b>BEST TO USE WHEN:</b> You are stuck on the side of the road with an emergency flat tyre and it is raining. Or really hot. And you are stuck on a super busy highway. Or in the middle of nowhere with no cell service.</p>	<p><b>BEST TO USE WHEN:</b> You don't want your ATV to be stuck on the sand dunes. Or your boat trailer to never make it to the dock. Or your tractor to get stuck out in the middle of your field.</p>	<p><b>BEST TO USE WHEN:</b> You are tired of replacing bicycle tubes. To stop your wheelbarrow's slow leak. When goatheads, thorns, nails and other road debris continuously ruin your rides.</p>	<p><b>BEST TO USE WHEN:</b> You have a flat in any off-highway tyre or tube. Get all the benefits of Slime's red and blue label sealants in one bottle. It just works!</p>
